

Grape varieties

**85%** Grenache noir,  
**10%** Cinsault and **5%** Syrah.

Vinification and ageing

Early harvest. This rosé is a blend of direct pressing and light maceration, aged in vats and clarified before bottling.

Cellaring potential

2 years.

Organoleptic description

Pink salmon color.

On the nose we can find some very refreshing exotic and floral notes. On the palate there are more spicy aromas-round and fruity with a fresh citrus touch.

Wine and food pairing

Perfect as an aperitif but also with Mediterranean meals in summer.

Service temperature **8 to 10°C.**
